AIJAI

Chunky Aijai wrote to us saying we didn't have enough fuller-figured girls featured in the magazine and said she'd get her kit off for free to show us what we were missing. So we got the bargain of the century and you get to see just how awe-inspiring a curvy girl can be. "I always say the bigger boned get better boned. Guys love to grab on and hitch a ride!"

Sous Chef

My wife had been out to her boss's leaving party and had come knocking at 4am with him in tow. She was pissed out of her head, so I told him to help her upstairs and he didn't refuse.

In her room I pulled Anna's dress up over her head, leaving her in her bra and knickers. I told her boss to put her to bed while I went and locked up. I thought he was going to have a heart attack as I left!

When I got back, I immediately lifted Anna's legs and presented him with her soaking cunt. He took his enormous bell-end and placed it at the entrance to her cunt and started to push. His knob gradually began to disappear as Anna moaned for a good fucking.

After a couple of minutes Bob got into a steady rhythm, nearly pulling right out of Anna before lifting her up and plunging into her cunt each time. This lasted for a couple of minutes before Bob erupted inside Anna while she groaned her appreciation and begged him to let her suck his cock.

While I quickly took his place he allowed Anna to suck the remaining spunk from his bell-end, only stopping to watch while I drove in and out of my wife's stretched cunt.

What do you think of my photos of them?

Dave, Herts.

Spa Swap

My girlfriend Jo and I just went to a local swingers club for the first time.

Jo shaved her pussy and wore a black, tight-fitting latex dress with a low cut halter neck and short mini-skirt. She wore no bra or knickers.

We entered the club, bought drinks at the bar, and had a wander round. In the main lounge a guy was sitting on a couch with only a towel wrapped round him.

Jo said that she thought he was very good looking, with a great body, and that she fancied talking to him, so we sat down.

Jo asked him his name, which was Lee, and asked him if he went to a gym, because she thought he had a really great body.

Lee told Jo that she looked great too, and that her tits were amazing, and that he could see her stiff nipples through her dress. Jo opened her top, showing him both her tits, and asked Lee if he'd like her to get up and do a lap dance for him.

He said he would love the idea. Jo told Lee to open his legs and she stood in

MY GIRLFRIEND AND HE SOON CAME TO A NOISY, MESSY CLIMAX

between them. She started to dance sexily, moving slowly and stripping to show him one nipple and then both. Following on, she got one boob out and then both. Her top was now around her waist. Jo went on to lift up her dress and flash her pussy.

After a few minutes, Jo took off her dress completely and stood there, absolutely naked. She danced in front of Lee and opened her legs, spreading her pussy lips and fingering herself.

Jo started to push her nipples into Lee's mouth and asked him to lick and suck them, which he did. Lee said that Jo must be getting turned on, because her nipples were standing out like bullets. She said that she was really turned on, and suggested that Lee should feel between her legs to see how wet she was.

Lee reached down and started to feel her pussy. He said that it was soaking. Then Lee said that his cock was really stiff too, and Jo unwrapped his towel and freed his large cock. Then she knelt down in front of him and started to suck on his cock.

After licking his cock like it was a lollipop, Jo climbed onto the couch with her feet either side of his legs. She grabbed hold of his cock and rubbed it up and down her wet pussy slit. Finally, after teasing him like this for a minute, she squatted down and his cock entered her. She rode him like a woman possessed, and it wasn't long before they came to a noisy, messy climax.

After pulling herself off Lee, Jo went to the ladies to freshen up and get changed. When she came out she had put on a bikini, and suggested that we should go to the spa bath the club had. We headed over there, followed by about four guys who had been watching Jo's performance with Lee intently. The guys stripped off and entered the water just after us. They surrounded her and she smiled sweetly. One guy leaned in and started to kiss her, and when she didn't object, the other guys started to touch her up.

First Jo's bikini top was removed, quickly followed by her bikini bottoms. She was wanking off two of the guys and being fingered by a third as the fourth felt her tits. The guys lifted Jo out of the spa bath and laid her down at the side on her back. Then they all knelt around her.

One guy was licking her pussy, one had his cock in her mouth, and the other two had grabbed hold of a tit each. They all took it in turns to get a blow job and to fuck her pussy. They each came quickly, and then kissed her and walked away. I went over and asked her if she'd enjoyed herself. "Yes," she said, "but I'm ready to go home now." We headed off, only stopping in a quiet lane on the way home so that I could fuck her.

A DERBY OPEN RELATIONSHIP

"Monogamy is not a natural state!" writes Philippa (23 from Stockport). "Adrian and I fuck like crazy – there's nothing lacking there. But if I was to meet someone at a party when I was on my own, why shouldn't I have a bit of fun as well? Of course, Adrian likes to hear all the dirty details! He gets off licking my spunky pussy too!"

Banging night

ELLEN, KENT

My boyfriend Michael and I have very high sex drives, so we both have several 'fuck buddies' who understand our arrangement.

So when Michael introduced me to his best friend Peter, saying, "Now you two can keep each other company of an evening now and then," I knew what he was hinting at. And I liked it!

So the next time he was on nights, I invited Peter over for a drink. I decided I was feeling bold enough to suggest watching porn too.

I sat on his lap and kissed him. He gripped my hips and pulled me down hard on to his pelvis. He undid his flies and released a decent-sized prick and I dropped to my knees.

I flicked my tongue over his helmet, licked down the shaft and played with his balls before taking his length in my mouth. He gasped that he'd "never been deep throated before." He gathered a handful of my hair, leaned back and fucked my mouth until his pre-cum and my saliva ran down my chin.

"You are without doubt the dirtiest little slut I've ever met," he said, spanking my arse.

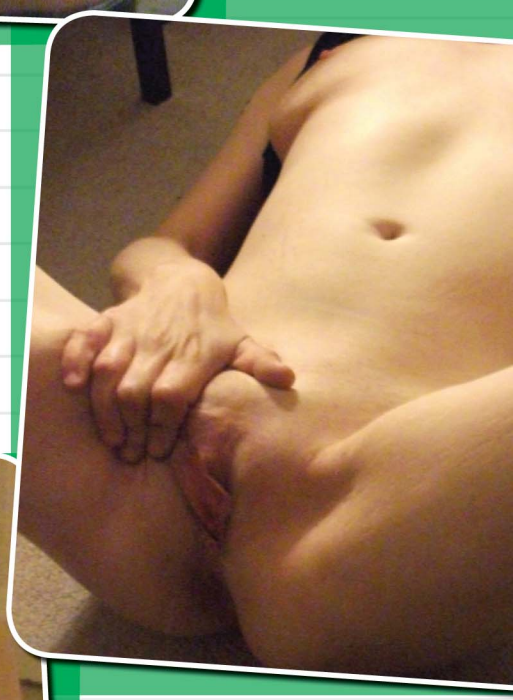
"Please... please... fuck me, fuck me hard!" I yelled until he shoved his prick inside me, making me yelp with pleasure.

I was nearly screaming as I came, pushing back against his body, responding to every thrust. He pulled out and shot his creamy load all over my red, stinging slapped arse. Exhausted, I fell into bed, but I was too restless to sleep.

At around 2am, Luke, a friend from college messages me; "Drunk and horny, you up for it?" The idea of fucking one guy straight after another turned me on so much that I sent back; "ALWAYS up for it. My place, 10 mins?"

When I opened the door we barely made it through the hall before he had my pert tits out of my top and was nibbling and pinching my nipples. I took his hand, leading him towards the kitchen, where he lifted me up and sat me on the worktop.

He eased my pyjama bottoms over my hips and let them drop to the floor, revealing my shaven cunt. I shuffled forward and splayed my legs. "Mmmmm," he sighed and buried his tongue deep in my hole, lapping at my lips, his tongue softly touching my clit. He lifted me down and he lay on the floor as I straddled him, lowering



'DRUNK AND HORNY. ARE YOU UP FOR IT?' I'M ALWAYS UP FOR IT! MY PLACE?

£120

myself onto his knob.

He watched it slamming in and out of me as I rode him hard and fast. I was close to cumming again but I slowed down, teasing us both by rubbing his helmet on my clit before sinking down to take his whole length in me again.

I love giving head so I stop riding him, take his knob deep in my mouth and raise my pussy over his face so he can lick me some more.

I love the taste of my cunt on his prick and that and his expert tongue has me on the edge again. I thrash out my second orgasm of the night, cunt pressed hard against his mouth as he shoots his juice in my face. I know he walked home happy that morning! I jumped in the shower. It was 7am and Michael was due home from work.

CONTACT ME

I was just soaping my tits when Michael stepped into the shower. He knew about Peter already, through texts.

"Poor pussy.... hard night," he laughs. I ran my soapy hands up his cock, gripping and squeezing him as I tell him about Luke fucking me too.

Michael's face was a picture! He thrust his huge dick into me in one stroke, ploughing hard and fast, my legs over his shoulders to feel him deeper as an enormous orgasm built in me.

"You are my third bloke in 12 hours, I am such a fucking dirty whore!" That does it both of us: we slam against each other, biting and moaning in a frenzy. My cunt contracts around him as I cum, jets of spunk pulsing in spasms into my very tender cunt.

I hope it turned you on hearing my story.

Ellen, Kent.

BREAST MATES

Two of the most popular Escort girls (and our personal favourites) get together in a meeting of minges, a colloquy of cunts, a kind of sex summit. No strings, no silly outfits, no custard (you'll find plenty of that elsewhere in this month's mag) just two very horny girls totally at ease with each other stroking and poking each other to orgasm for the pleasure of our readers. They really did like each other too. "We're going to meet each other in the hotel later. This shoot was only the beginning of a very sexy friendship!"

VICKIE

Trusty busty Vickie is back with a bang, now 30 years old and still wowing us even though it's ten years since she first appeared in Escort. "What have I been up to? I've been having fun. Who wouldn't with a pair of crackers like these? I've settled down now but my husband still lets me get frisky with other guys. He gets off seeing my boobs pawed and poked by strangers. I prefer girls but luckily I have plenty of sexy girlfriends to join us for threesomes!"

And we run a lot of features about Charlie Parker and Sidney Bechet – we're a jazz mag too, you see, Jenny. We told her the nude form had a long and honourable tradition in art and if she'd just get her kit off she could take her place in that grand pageant. So what do you think readers? Spunk & Shine

After leaving uni my girlfriend Donna and I got a place together. The flat was a bit of a grubby shithole and Donna, being more house-proud than me, said she'd blitz it while I was out at work one day.

I arrived home to find her still getting stuck in.

She looked horny as fuck – the fact she was a bit grimy and sweaty just added to the effect! I told her she'd missed a bit of dust down on the skirting board and, as I'd hoped, she bent right over and flaunted her arse as she polished the wood.

I told her I was going to have a shower, hoping she'd join me but, ten minutes later, she was still caught up in the cleaning. So I yelled through that the bathroom was flooding – that got her there quick enough.

I said the plughole was blocked with gunk – it wasn't – and once again I had her bent over. This time she stayed that way, while I stroked her bum. My fingers edged closer to her slit "I bet this pussy's aching for a fuck. I know my bollocks are," I said. Then I pulled down the shorts and slid a couple of fingers up her slit. She was all swollen up, like she is just after a fuck or frig, and I knew I wouldn't have my cock in her for long before she came.

Sure enough, she moaned and started to orgasm after just a few strokes. I could have carried on fucking her like that and I'd have been totally satisfied. But even more tempting was her little pink arsehole.

I grabbed a tube of lube and squirted loads of it on my cock, then on her arse before sliding my fingers up it.

As I fingered her, I said I was going to make her beg, make her really want my dick up her arse. I saw her hand go to her clit, and I moved it out of her way, tormenting her.

She wanted to play nice. "Please…" she squealed with pleasure as, without any warning, I slid my meaty tool right up her chute.

When I'm fucking her doggy style, she usually slams back against me when I'm thrusting in. This was more gentle but every bit as powerful, as she tensed up her arse and circled it back against my crotch.

My hand was still covering her clit but as I felt myself get closer to cumming, I started to finger her. I timed it perfectly – I felt a couple of ripples before my spunk pumped out into her arsehole. Then the spasm of her muscles seemed to wank me the rest of the way off!

Darren, Bristol.

Dancing Cream

I think for a second my boyfriend thought I was taking him out to a club, when I said I was going to treat him to a lap dance – but I'd been practising in his absence!

Sexy lingerie usually does the trick for Len – I've danced for him a few times and often don't even reach the end of the song before he's got my knickers down or pulled sideways, and his cock rammed up my cunt.

I bet him a sucking to a licking he wouldn't be able to hold back for three tracks. I'd sat him in a chair with armrests, and I tied his arms to them with ribbons – not tightly, but tight enough that he would just have to sit there and watch. I could touch him but he couldn't touch me.

I left my bra and knickers on until the first chorus, then slipped them off. The sight of my naked arse and pussy, framed by my suspender belt, would soon have him lusting after me! And my heels gave me an extra wiggle.

I shoved my tits together and held them with my arse and pussy inches from his face, my cheeks pulled open.

This was getting me all excited too, and he knew it. I said, "Fuck the bet, just stick it to me now!" But he sussed this was a test which, unfortunately, he passed! He told me to shut up, his mouth so close I felt his hot breath against my wet hole.

That just gave me an idea – I bent right down, so my mouth was probably less than an inch away from so my nipples were within licking distance of his mouth. He wet his lips, then shut his eyes, swallowing hard, already tempted. But he wasn't going to miss the show totally, and when he looked again I was bent over

Spice up your wife

My missus Angel is 45 years old, but has the body a women half her age would be proud of!

We'd often fantasised about things in bed to spice up our sex lives, but I never imagined for a minute that one of them would come true.

She was going out with a girlfriend one Saturday night and as luck would have it the kids were away for the weekend.

So after I watched her go out wearing the shortest dress and killer heels (I swear you could nearly see her arse cheeks when she walked), I settled down to a beer and a movie.

I texted her after midnight to see how her night was going and got an order to sit in the conservatory with the lights off and not to come out.

My cock was aching by the time I heard the front door open.As I sat there in the dark, my cock just about exploded when she strolled in hand in hand with some guy who looked 25!

She looked sassily over in my direction and gave me a wink, then started French kissing him. He couldn't keep his hands off her and it wasn't long before he pushed her G-string to the side and started playing with her clit.

She was clearly enjoying it. I could tell because his fingers were very wet when he slipped them out of her pussy.

She unzipped his flies and out sprang a big brick-hard cock. She got down on her knees so she could suck it.

She whispered something to him and then proceeded to bend over the mantelpiece with her legs spread wide apart and yelped: "Fuck me hard!"

Again he pushed her now sodden G-string to the side

I HAD A FIRST CLASS VIEW OF MY WIFE'S FUCK

his dick, which was stiff and welling up at the tip. Then I talked dirty, saying how much I needed a fuck, spitting out

I FELT HOT BREATH ON MY WET HOLE

the words so he felt as much as heard them.

I won. He tore off the ribbons, grabbed me by my wrists, and pulled me to him, kissing me hard before pulling me down onto his cock – although it took me a couple of bounces to get him properly inside me! But now that he was in, he banged me as deep as his prick could go. I carried on moving to the music, gyrating my hips until I felt him buck underneath me, followed by a hot rush of thick spunk into my hole.

When I was back to myself again, I stood up and straddled his crotch, letting the mess drip out of me and all over his dick and balls. I told him he was a big loser – well, a big-cocked loser – and he said he wasn't too sure he'd actually lost. If he'd won the bet, he'd just have got a grudging blowjob, and now he'd got a fuck and the right to eat my pussy! He's not as daft as he looks!

Lizzie, Staffs.

and slowly slid his giant cock all the way in up to the hilt, gradually speeding his pumps up until Angel shouted that she was cumming hard.

He kept fucking her like this for 20 minutes and I lost count of the number of orgasms she had.

Then she told him to sit on the couch, again a place where I had a first class view of everything.

She started wanking him and then took his cock in her mouth until he said he was coming and then proceeded to soak Angel in a shower of jizz.

Ten minutes later he was gone and Angel motioned me to follow her upstairs. We didn't get much sleep that night.

I wonder what fantasy will get ticked off our list next.

Andre, Dundee.

I LET HIS BEST MATE FUCK ME IN THE BUM

I don't even like my fiancé's best mate, but I can't get enough of his cock. It kicked off when he pulled over to offer me a lift – normally I wouldn't even have accepted that offer, but it was cold and rainy. I won't bore you with how one thing led to another, but it ended up with Phil parked outside my front door, fingering me till I was cumming all over his hand. I was shit-scared afterwards, thinking he'd use it against me, but he actually rang me later, begging me to keep schtum.

It's been going on a few months now, and getting riskier all the time. For all we don't want to get found out – well I really don't – we push our luck. Like Phil has a thing about screwing me in the "marital" bed.

One day he called round, mid-afternoon, knowing my bloke would be at work for a couple of hours yet. "Upstairs…" he said, after a quick snog. "What if he comes home early?" I said, knowing how lame it sounded, especially as I was slipping out of my knickers at the time. I let Phil look at me naked, then laid back on the bed. But he just said, "On all fours, I think."

"Lube?" he said, and I pointed to the bedside drawer, shivering with anticipation as he squeezed a big, cold load of it on my arsehole. He warmed it up with his fingers, working it in, and I heard the squelchy noise of him rubbing more of it on his prick. Then – point of no return – he started pushing his helmet up against my arse, slowly prising it open.

I shivered again, little shocks going off all through me. I'd never even done much anal with my fiancé, and now I was letting his best mate fuck me up the back door. "You fucking love this, don't you? First time I saw you, I knew you'd love a hard prick ramming up that uptight arse of yours… " he said.

I tightened my arse muscles around him, frigged my clit and felt his hot jizz spray up me. It can't go on,I'm getting married soon, but how can I end it? It just feels too good!

"I want to get dirty on my birthday!" demanded Sophia and, boy, did she, along with anyone else standing in a thirty metre radius.
